

Iowa Assessment Test Day Details

First Day Arrival-Time and Drop-Off Details

Please make sure your child **arrives at 8:00am**, fifteen minutes early, on their first day of testing.

Bring your children into the Higher Ground Church building front foyer entrance for check-in.

Parents of 3rd and 4th grade students: After checking in, you will be asked to accompany your student to his or her testing room and remain with your student for the first fifteen minutes. We'll depend on your assistance to get your child settled and comfortable, and we expect they will need your help entering their name, address, and birth date in their testing booklet by filling in the coordinating circles.

Testing Day Structure

Students will take subject-specific tests (Math, Language, History, etc.) during each morning, and will therefore also experience breaks throughout the morning, between each testing period, when they will be able to eat a snack, use the restroom, get up and stretch, etc.

What to Bring

- Three sharpened #2 pencils
- Ruler
- Calculator
- Snack
- Drink
- Book to read each day in case he/she finishes early.

Pick-Up

Students should be picked up at the front foyer door of Higher Ground where students checked in. Please come inside so staff can check your student out.

If you have several children taking the test, they will likely finish at different times. Since it will be difficult for us to manage students who finish testing early and are released from their test rooms, please arrive 10 minutes early at the church to be on hand in case your student is released early.

Dress Code

Students are asked to wear modest, clean-cut clothing.

Shorts will be permitted, but please, no shorts shorter than three inches above the knee.

Blue jeans that do not have rips or holes and are not excessively tight will also be acceptable.
