**Registration Fee:** Families are assessed an annual registration fee at the time of enrollment. The amount of the fee is determined according to when registration forms are submitted. Payment of the appropriate Registration Fee must accompany your family's registration forms as an enrollment deposit in order for your students' enrollment to be complete.

### Continuing Families

Early Registration Period      **April 9 - 20**      \$100/family  
 Regular Registration Period      **April 23– July 31**      \$200/family  
 Late Registration Period      **Begins August 1**      \$300/family

### New and Returning Families

\$100 throughout the entirety of the semester.

### II. Identify Your Family's Total ACADEMIC Expenses

Student's Name	Student's Total Academic Tuition (Box Y on Enrollment Form)	Identify New Student Discount (\$125 or \$200)*	Net Tuition
1.			→
2.			→
3.			→
4.			→

**Total** →

*Add items in each column to achieve sum in cell A.*

**A. \$**

Families with multiple students qualify for a 3% student multi-student discount for academic courses. If you have multiple students, multiply box A by .97 and enter new amount into box B.

**B. \$**

### III. Identify Your Family's Total Semester Expenses

Add all students' athletic expenses together, from box Z on each student's enrollment form →	<b>C. \$</b>
In box D, write the registration fee appropriate for your family by referencing the top of this page →	<b>D. \$</b>
<b>TALLY SEMESTER TOTAL:</b> Add Boxes A (OR B if you have multiple children), C, and D →	<b>E. \$</b>

### IV. Identify Amount of Semester Deposit

Identify how many Athletic Fees are being paid (Example: Soccer and Volleyball would be 2). Then Multiply this number by 100. Record this number in box F. This is the athletic deposit due. →	<b>F. \$</b>
In box G, write the registration fee appropriate for your family by referencing the top of this page →	<b>G. \$</b>
Add box F and G together. <b>THIS IS THE TOTAL AMOUNT DUE AS YOUR DEPOSIT</b> →	<b>H. \$</b>

### IV. Identify Amount of Monthly Payments

<p>Subtract box H (deposit due) from box E (total semester expenses) and write the amount in box I.</p> <p>Divide this number by 5 (or by the number of months that remain between now through September)  <u>This is the amount of the monthly payment that will be due May 1, June 1, July 1, August 1, &amp; September 1,</u>                      unless your family chooses to pay, up front, the total semester expenses identified in box D. When a monthly payment is deemed late (not received or received after the fifth day of the month), a \$25 late fee per month is assessed until the tuition schedule has been met. In the event of any unpaid balance from the current or previous semester, end-of-semester grade reports and transcripts will not be released until the remaining balance is fully paid.</p>	<p><b>I. \$</b></p> <p><b>Divided by 5</b></p> <p>=</p>
