

The Shield

Happy Friday Heritage Families! Please take a look at what is coming up for the week of January 25th at Heritage Academy.

Academics

- ❖ The Student Success Center is ready for your student! Our study sessions this semester are: Monday/Wednesday (2:45-3:45); Tuesdays (9-11). Additional hours are possible. We charge modestly \$20/ hour for 1 hour a week or \$15/hour for 2+ hours a week. Contact pam.tamerius@heritageacademyofcolumbia.com to sign up or with questions.
- ❖ There will be a Primary Open House on Tuesday, February 9th from 6:00pm-7:00pm. The Primary Open House is designed for parents seeking to learn about K-2 academic options at Heritage Academy. Parents will be given a brief presentation about the K-2 programs, meet teachers, and have an opportunity to ask questions. Please help us spread the news about this event by sharing this event on Facebook!

Community Life

- ❖ A Word from Mr. Ragsdell
 - Dear Parents, we are grateful for your partnership at Heritage Academy and delighted that school remains in person. January is a great time to help us spread the word regarding the quality Christian education available at Heritage Academy. Good news travels best person-to-person! Social media is a great way to let friends and followers know that you value Heritage Academy. Would you take a few minutes and provide a positive review on any of the following social media sites?
 - www.google.com
 - www.niche.com
 - www.greatschools.org
 - www.privateschoolreview.com

You can vote for Heritage at www.hulafrog.com/columbia-mo as “the most loved school” in the area. Beginning January 2021, I am launching a new effort to meet with Heritage parents to learn from you and share school needs. I am calling it, “Lunch-n-Learn”. Please expect a phone call or email inviting you to lunch. I’m looking forward to hearing directly from you regarding

your Heritage experience and how the school can meet or exceed your expectations. Thank you for your partnership in the ministry of Heritage Academy.
