## Association of Parents as Partners

- ❖ Thank you for your APP contributions! We have been able to purchase 2 outdoor picnic tables! These have provided a great place for kids to spread out during lunch.
- ❖ Next month we will be hosting a Pizza fundraiser lunch with a \$5 cost per student. More details to come.
- ❖ APP will be selling snacks next Friday during community life. We would like to offer House colored snack options (green, yellow, blue, orange) and raise House points for most items of a color sold. Some examples are cans of sunkist and bags of goldfish for orange, etc. If you would be willing to drop off a couple of pre-boxed snack items by next Wed 9/30, please contact Anita Lee at 573-489-9611 for [leeae23@hotmail.com](mailto:leeae23@hotmail.com), for a list of items needed.
