

Would you consider donating an item or service, to be auctioned to the highest bidder, with proceeds to benefit Heritage Academy?

You can make a contribution of services or a **tax-deductible contribution of goods** to Heritage Academy's Trivia Night and Silent Auction! It will **benefit your business** while at the same time raise funds for Heritage Academy, a Christian University-Model® School here in Columbia, MO that serves K-12th grade students and their families. **It's a win-win situation!** Your donation will help make Heritage Academy's silent auction a success; your business gains valuable exposure, and Heritage Academy's loyal constituents will be encouraged to thank you with their patronage.

This **exposure-generating event** will target the **eighty families** whose children attend or play sports for the school, their friends and relatives, teachers and staff, school alumni, special guests, and community supporters.

Donations are requested to be made by March 1st

Questions or donation commitments may be emailed to trivia@heritageacademyofcolumbia.com
